

# LOFT KIT MEASUREMENTS

All beds in residence hall rooms are loftable/bunkable.

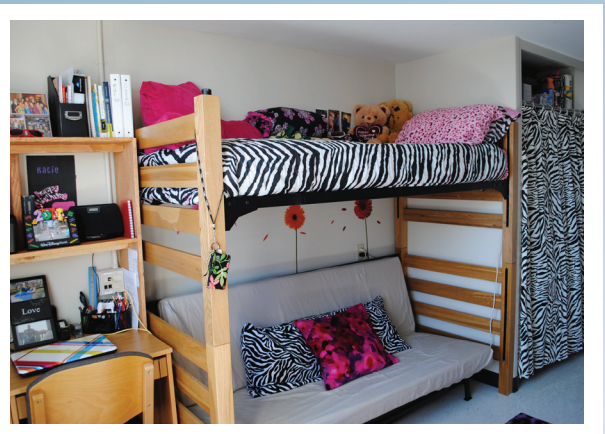

## Junior Loft or Bunking

Beds can be adjusted to seven different heights with no loft kit needed from 10 inches to 33 inches off the ground. Beds can be bunked without loft kit.

## Traditional Loft

Traditional loft will need a loft kit. Lowest loft setting is 45.5 inches and max is 68 inches.

Cardinal Court double beds are not adjustable. Single beds in Cardinal Court shared rooms are adjustable/bunkable. They cannot be lofted.
